INTRODUCTION

In collaboration with Corus International, MOMENTUM Integrated Health Resilience (MIHR) is part of the USAID MOMENTUM suite of programs that aim to accelerate reductions in maternal, newborn and child mortality and morbidity in high-burden countries by increasing commitment and capacity to provide high-quality, integrated health care. MIHR seeks to improve access to and availability of high-quality maternal, newborn and child health services, voluntary family planning and reproductive health in fragile and conflict-affected settings. This project will enhance coordination between development and humanitarian actors and strengthen the resilience of individuals, families, and communities to live a healthy and productive life.
